

Forest Find

Can you find these colors?

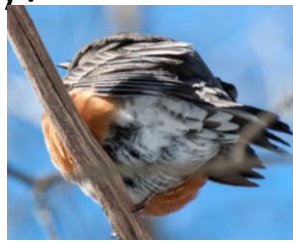

Can you find leaves that look like these?

Find something that feels bumpy, smooth or fuzzy, like:

Look down! Can you find a berry? Look up! Can you find a bird who wants to eat that berry?

- **Choose Your Adventure** – a Forest Find for ages 6 and under or a Spring Scavenger Challenge for older kids looking for some competition among friends and siblings. Share your #wildforwareham experiences and tag @savebuzzardsbay to win a prize! You must complete three activities during spring break to be “Wild” for Wareham!

Spring Scavenge Challenge

Find as many of these items as you can!

- Rain dew leaves or grass
- A huge tree trunk covered in moss
- A newly budding flower
- New green growth
- Noisy spring bird mating calls
- A bird's nest
- A rushing stream, brook, or river
