doucette@savebuzzardsbay.org.

1) Mark's Cove: Collaborative Conservation and Stewardship

This site visit will run from 1:00 PM to 2:30 PM.

A look into how several conservation organizations came together to protect the area surrounding Marks Cove. Join us for a tour of the trails, guided by those who formerly and presently have been involved in the stewardship of the area.

Led By: **Kelly Barber** Director of Land Stewardship, Barnstable Land Trust, **Leah Howard** Land Steward, Dartmouth Natural Resources Trust, **Elise Leduc-Fleming** Executive Director, Wareham Land Trust & **Erik Boyer** Director of Field Operations, Wildlands Trust

2) Restoration on the Weweantic River

This site visit will run from 3:00 PM to 4:30 PM.

Join us at the Buzzard Bay Coalition's Horseshoe Mill property to hear Restoration Ecologist, Sara Quintal, discuss the history and ongoing restoration at this site.

Led By: **Sara da Silva Quintal** Restoration Ecologist, Buzzards Bay Coalition

Join us for an afternoon of networking and discussion with people who are involved with land stewardship in southeastern Massachusetts! Looking forward to seeing you on the 7th!
